Re: Facility ID # 32-0316  
Permit Number: 968074P

Dear Mr. Thoraval or responsible official:

The Division of Air Pollution Control is completing file reviews in an effort to ensure all permits are not beyond their expiration date. During our review, it has come to our attention that permit number **968074P** is due to expire on **March 1, 2015**.

The renewal deadline is **December 31, 2014**. In order to remain in compliance, the facility would need to have the renewal application postmarked by this date. The renewal application form CN-0730 (APC 100) is located at (<http://www.tn.gov/environment/permits/airoper.html>). You now have the option of submitting your application via email to [Air.Pollution.Control@tn.gov](mailto:Air.Pollution.Control@tn.gov). The submittals must be signed and in PDF format.

However, if you prefer to mail your applications, please note that our Nashville office recently moved to

**WILLIAM R. SNODGRASS TN TOWER**  
**312 ROSA L. PARKS AVENUE, 15<sup>TH</sup> FLOOR**  
**NASHVILLE, TN 37243**

In addition, if this source has started up, please submit the startup certification as required by **Condition 12**.

Should you have any questions, feel free to contact me at (865) 594-5566 or [Martie.Carpenter@tn.gov](mailto:Martie.Carpenter@tn.gov). If the application process has already begun, please disregard this letter.

Sincerely,

A handwritten signature in blue ink that reads "Martie L. Carpenter".

Martie L. Carpenter  
Manager  
Tennessee Division of Air Pollution Control
